Basic transcripts should be grammatically correct throughout. Refer to the CrowdSource Style Guide for all requirements regarding punctuation, grammar, spelling and syntax. There are also a number of additional style rules you must follow listed below.

Basic & Verbatim - Transcribe.com

A style guide or style manual is a set of standards for the writing and design of documents, either for general use or for a specific publication, organization or field. The implementation of a style guide provides uniformity in style and formatting within a document and across multiple documents. A set of standards for a specific organization is often known as "house style".

List of style guides - Wikipedia

A style guide is a book that outlines the “rules” necessary to follow for any one kind of writing. These rules may be about simple things like grammar and punctuation, or more substantive questions about citation, layout, or format. Some guides may also speak to style as it applies to content and voice. Below is a primer on style guides.

How to Pick the Best Style Guide for Your Writing

A style guide or manual of style is a set of standards for the writing, formatting and design of documents. It is often called a style sheet, although that term may have other meanings. These standards can be applied either for general use, or be required usage for an individual publication, a particular organization, or a specific field.

Style guide - Wikipedia
