From the rear cover of this 96 page book: 'Frank Frazetta Book Three' contains many previously unpublished studies from the artist's working sketchbooks in addition to glorious full-color reproductions of paintings executed for book covers and other illustrations for fantasy and ...

**Frank Frazetta Book Three: Betty Ballantine, Frank ...**

Book Three follows on where the two previous volumes of Frank Frazetta's art books left off. After a nice introduction by Betty Ballantine, it's straight into the art. The main difference from this volume to the previous two is that Book Three features a lot more from Frank's doodlebook, and there are quite a few rough sketches included here as well as the colour plates of his iconic art.
