Philosophies and Perspectives in Education: Examining ...

The philosophy of education examines the goals, forms, methods, and meaning of education. The term is used to describe both fundamental philosophical analysis of these themes and the description or analysis of particular pedagogical approaches. Considerations of how the profession relates to broader philosophical or sociocultural contexts may be included.

Patrick Henry and "Give Me Liberty!" - Lesson Plan

Texts at the independent level are those the student can read alone (and are therefore in the ZAD). Texts at the instructional level are those that students can read with help, and through which students will learn new content and new procedures of reading (because the demands of reading that book lie in the ZPD - they can be learned with the appropriate assistance).
